

Lista Technician Series Tool Storage

Rugged. Custom designed. Versatile.

Simply the best

Trust your tools with the world standard in tool storage.

There's typical tool storage. Then there's Lista.

We're one of the world's largest and most respected tool storage and workspace manufacturers. Just ask anyone in aerospace, automotive, military, manufacturing or racing. They'll tell you that when it comes to durability, configurability and quality – all at a great price – you've got to get your hands on a Lista.

With Lista, you get it all – the largest capacity, most durable boxes on the market, at a price that boxes out the competition.

Compare our features and you'll see the Lista difference:

- Rugged design backed by limited **lifetime warranty**
- Fully welded drawer and housing construction
- Heavy-duty casters (1,200 lbs. each)
- 440 lb. capacity full-extension drawers
- Sub-dividable drawers
- Twelve standard drawer heights available from 2" - 13"
- Multiple full-width configurations
- Premium non-slip mesh drawer liners
- Five standard gloss finish powder coated colors, with two-tone color schemes available

Rock solid

When we say our drawers provide unequaled performance, we have the results to back that claim up.

To test our drawers, we complied with the RAL-RG 614 standard from the German Institute of Quality Assurance and Marking, a globally respected standard. This test required our drawers to pass a series of difficult test criteria.

In these demanding tests, Lista excelled. Our suspensions exceeded the required number of cycles, fully loaded at 440 lbs., without diminished performance.

Customized Technician Series Toolboxes

With Lista, your toolbox is **your** toolbox.

The following pages show Technician Series Toolboxes pre-configured in the most-requested models. To customize your own box, choose from the accessories shown below.

Base options

Whether you need mobility or a stationary solution, Lista offers base option from mobile casters to fixed fork truck bases to stationary raised bases with leveling.

To order your toolbox

1. Select toolbox configuration shown on pages 6-21.

2. ☒ Select base type. See chart to left for details.

M = mobile base (not recommended for Model 1350)

FT = fork truck base with stainless steel kick plate

WC = stationary raised base

3. ☐ Select paint color.

293 = Blaze Blue

BKG = Black

12179 = Yellow

5003 = Dusk Blue

NRG = Red

EXAMPLE: to order a TSDW0750-0721 toolbox with a mobile base in a Black housing with Red drawers, the part number would be

TSDW0750-0721-MBKG-NRG.

To order a butcher block top for your toolbox, include part number **DW1BCT**.

Customize your toolbox drawer interiors

Subdivide your drawers for ultimate flexibility in tool storage.

Toolbox drawers come standard with mesh drawer liners, and the top drawer of each toolbox includes a starter compartment divider kit. If you prefer to separate your tools within the other drawers, choose from the configurations shown below. Be sure to match drawer interior with correct drawer model and height.
