

IMPACT

WORKSTATIONS

Your freedom to experience a custom,
durable and attractive work center.

IMPACT WORKSTATIONS

Your freedom to experience a custom, durable and attractive work center.

FINALLY, A WORKSTATION THAT MEETS EVERY NEED YOU HAVE, AND EVERY NEED YOU WILL HAVE, AT A PRICE YOU NEVER THOUGHT POSSIBLE.

THE IMPACT WORKSTATION HAS IT ALL. IT IS RUGGEDLY DURABLE, EASILY CUSTOMIZABLE, AND SHOCKINGLY AFFORDABLE. OUR FORWARD THINKING ENGINEERS USED A GROUND-UP

APPROACH TO DESIGN A WORKSTATION THAT YOUR TECHNICIANS WILL FEEL THEY DESIGNED THEMSELVES. NO DETAIL WAS FORGOTTEN. SWING DOOR CABINETS ARE REINFORCED WITH WELDED PLATES. DRAWER CABINETS HAVE THE BEST SLIDES IN THE INDUSTRY. UPPER CABINETS HAVE TIP UP/SLIDE IN DOORS. AND THE BEST FEATURE OF ALL, IMPACT WORKSTATIONS HAVE BORROUGHS' MADE-IN-THE-USA QUALITY.

TOOL DRAWER CABINETS

Built for optimal storage and strength using Borroughs High Density Drawers—proven durable in automotive shops for decades. Tool Drawer Cabinets are built-in toolboxes that can be customized to your individual needs.

DESIGN FEATURES

- Unique design provides added strength
- 400 lb. capacity ball bearing slide drawers are superior, providing quiet action with no racking
- Full drawer extension suspensions provide 100% access and make contents easy to reach
- Handles are full-length
- Secure drawers with heavy duty keyed barrel locks
- Single drawer lock-out safety feature is standard, prevents opening more than one drawer at a time
- Drawer interiors have full height sides and backs preventing the loss of small objects
- Rubberized liners to protect contents and minimize movement are standard
- Partitions available for easy organization
- Formed side panels provide a professional appearance and provide for flush mounting
- All cabinets come complete with leveling feet
- 26"D x 36"H. Available in 48" or 60" widths

BENCH TOPS / WORK SURFACES

Door cabinets allow 100% access to cabinet contents for storing larger items within easy reach.

DESIGN FEATURES

- Doors have ergonomic, full-length formed handles and are supported by durable, full-length piano hinges
- Welded reinforcement plates increase rigidity and strength
- 200 lb. capacity center shelf adjusts on 6-inch centers
- 3-point locking system with overlapping doors ensures security and safety
- Cabinets come complete with leveling feet
- 26" D x 36" H. Available in 24", 36", 48" or 60" widths

BENCH TOPS / WORK SURFACES

DESIGN FEATURES

- Bench tops are 1.5" high x 28" deep
- Work surface options: 16 ga. stainless or painted steel over wood core with welded & polished corners, or maple butcher block

UPPER CABINETS for efficient use of vertical space

Borroughs new IMPACT workstations' upper cabinets are the strongest and most spacious in the industry. Cabinets are available as wall-mounted or riser-shelf mounted.

DESIGN FEATURES

- Tip-up, slide-in doors on ball bearing slides keep doors tucked away, out of sight. Stainless steel inserts are standard.
- Built-in superior structural supports provide additional strength
- Standard upper cabinets (18"D x 19"H) are the most spacious in the market compared to competitor's standard 15"D x 18"H cabinets

RISER SHELF

DESIGN FEATURES

- Mount to base cabinets providing a secure structure to support upper cabinets. Available in 24", 36", 48" and 60" widths, 18" in height
- Riser backs available in painted or stainless steel, in 24", 36", 48" or 60" wide panels

DOOR FRAME KITS

- Allow wheeled objects to be stored neatly under the bench behind closed doors
- Ideal for technician carts, recycle bins, and trash receptacles
- Provides a clean, streamlined look

DESIGN FEATURES

- Doors are supported by durable full-length piano hinges
- 26" D x 36" H. Available in 24" and 36" widths
